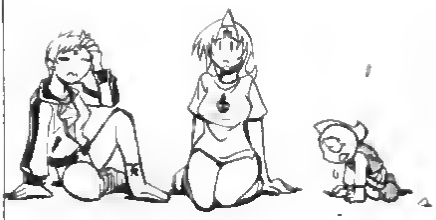
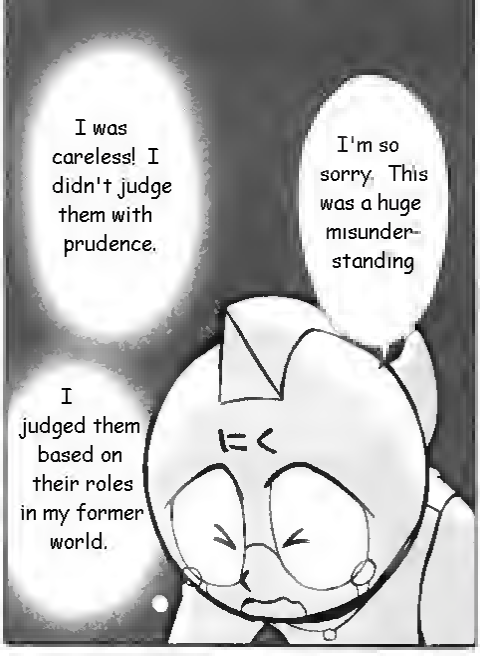
Ridiculed by Team Kinniku. And everyone else.

This is the first and possibly last tournament that is said to decide the greatest Choujin in the world, but how could Kinnikuman Lady and Terrygirl be reomoved from participating?



The Choujin Olympics are where superheros selected from every nation of the world compete with mutual techniques.

You're not that bad, Meat. All of the rioters were on our side!
They looked suspicious We thought they were going to act like monsters.
C'mon, who has friends that look like that?

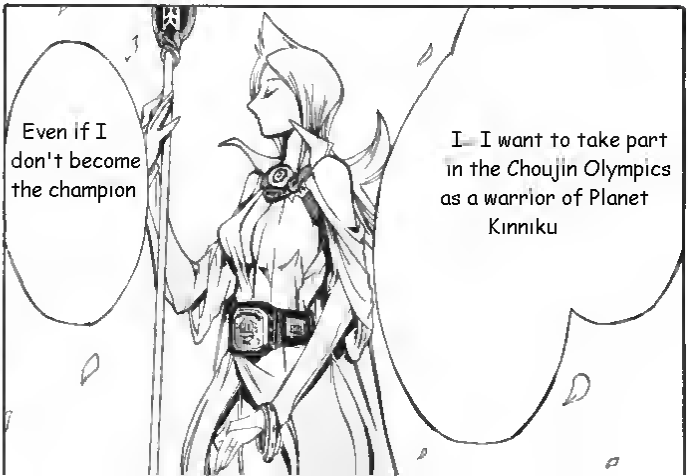


I'm so sorry. This was a huge misunderstanding
I was careless! I didn't judge them with prudence.
I judged them based on their roles in my former world.
にく

But I want to be in the Choujin Olympics!
My momma was the tenth champion.

It's alright. I didn't wanna compete, noway. I ain't interrestid in this tournament at all.
Huh?!? You're already giving up?

Princess
Lady--



I- I want to take part in the Choujin Olympics as a warrior of Planet Kinniku
Even if I don't become the champion

OK. Thank you
Whaaat? Do you know what time it is? Are you in Japan?
Well, you're handin' me your ticket for the Olympics.
Yes. Who is this? Terry-girl?
Hello? Is this Special-woman?
Am I merely warping history?
Aaah! History...
Oh. Right.
...but if I can, I want to represent Japan
...this is my second home
Thanks, Terry...
PRINCESS! LET'S GO TO THE TOURNAMENT COMITTEE HEADQUARTERS !!!
If I re-member
No! History won't be warped by this. The prince didn't have a participation ticket at first!

If you insist.
I'll understand.
...as I feel, you should issue the oath for the competitors.
Chairman!
What did you say? There was some noise.
ドクドク
What?
Huh?
Aaah. She's the champion of the last Choujin Olympics
...
Lady Robin!
Hey, Robin.
Huh? Who is that?
What Terry?
What is with all of you??
That's him! Robin Mask!

Nice to meet you! I'm Kinnikuman Lady!
So that's who you are!
"Robin Mask!"
As you can tell, they call her "Robin Mask" 'cause she ain't got any expressions
Don't touch me.
After your scandalous action earlier we banned you from being allowed to participate in this tournament!
None of your presences are needed nor desired!
Why are you even present here?
?
...
She looks... Kind!
her face is different. Her pose and personality arn't the same...
It seems like we've come to the moment that Robin Mask did something but--
Oh... so then... huh

what?
Your expression is that of a total pervert!
I don't think you have the capacity to be director
Huh?
What?
Myu hoo hoo hoo!
Lady Robin, this is so sudden! Why are you saying these things?
I order the Kaijin be dismissed on the charges of sexual harassment, by the authority granted to me by the belt of the champion!
No!
This is absurd! You are abusing what little authority you have!!

おわ
Just hold on...!
ガシャン
Aw'right! Let's kill'em!

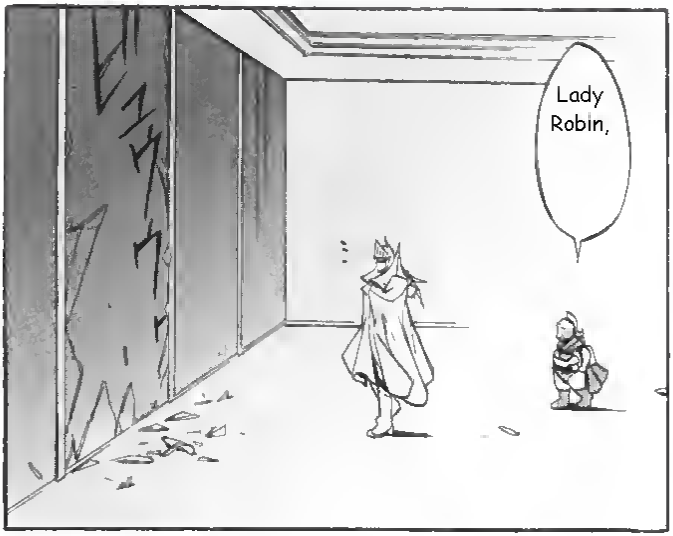
Eliminate my sparring partners and put this lady with them. For the moment, put her in with Gania
Fine, but the tournament framework was decided upon this morning.
Huh? OK!
It is done.
Now I will reinstate these two
にく
OK
I will deal with the two new partici-pants
Hmmm
I talked to Specialwoman on the phone She ain't gonna fight, so I'll do it
If the lady is gon'n' to be fight n I might as well too



Lady Robin,

Later That Night

I want to stand on a mountain of my defeated opponents.
That's why…

I want to stand on the summit of all choujin.

Wasn't today the first time you ever used your authority? You brought back two rivals
Are you alright with today's strife?

That is … that is all.

Thank you, thank you, Robin! Thank you so much!
